NOTES PERTAINING TO DEBTOR'S SCHEDULES AND ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

These notes (the "Notes") relate to the Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements"), prepared for ProAir Holdco, LLC, ProAir Intermediate Holdco, LLC, ProAir, LLC, American Cooling Technology, LLC, Bus Air, LLC and Evans Tempoon Delaware, LLC (collectively, the "Debtors"), who commenced their chapter 7 cases on November 16, 2022 (the "Petition").

GENERAL NOTES

- 1. Sources and Limitations on Information Available to the Debtors. The Debtors have relied upon information received, either directly or indirectly from parties to prepare the Schedules and Statements and may not be able to independently verify the information set forth in the Schedules and Statements outside the reliance on those parties. As a result, inadvertent errors or omissions (either partial or complete) may exist in the Schedules and Statements, which could be material. Subsequent receipt and/or verification of information may result in material changes in financial data requiring amendment of the Schedules and Statements. Accordingly, the Schedules and Statements remain subject to further review and verification by the Debtors/Trustee and are subject to the limited availability of information to which the Debtors have access.
- 2. General Reservation of Rights; No Waiver. The Debtors and their estates reserve all of their rights with respect to any claims, defenses (including rights of offset and recoupment), and causes of action that they may have, and neither these Notes nor the Schedules and Statements shall in any way waive, prejudice, impair, or otherwise affect the assertion of such claims, defenses (including rights of offset and recoupment), and causes of action. The Debtors reserve the right to dispute, or to assert offsets or defenses to, including by an

amendment to the Schedules, any claim reflected on the Schedules as to amount, liability, priority, secured or unsecured status, classification, or the characterization of the structure of any transaction or any document or instrument related to a creditor's claim. Without limiting the foregoing, the inclusion on Schedule D of creditors that have asserted liens of any nature is not intended to be an acknowledgement of the validity, extent, or priority of any such liens, and the Debtors reserve their right to challenge such liens and the underlying claims on any ground whatsoever. In addition, the relative priority of any creditors listed on Schedule D remains subject to the intercreditor relationships in the governing documents. The failure to include any asset, executory contract or unexpired lease in the Schedules and Statements shall not be construed as an abandonment, waiver or relinquishment of the same.
